## **HISTORY OF BIBLE BAPTIST CHURCH**

The Bible Baptist Church began on February 16, 1950 when a group of believers met to establish an independent, Bible-centered church in Auburn, Indiana. The first meeting was held in the Smart Theatre Building on Seventh Street with 54 present and Vernon F. Shaw guiding the work as the first pastor. The church was incorporated on September 13, 1950 with 57 charter members.

On September 20, 1950, the church moved to the home of Pastor and Mrs. Shaw on the corner of Jackson and 18th Streets. The home was remodeled with an auditorium, Sunday school rooms, and an apartment for pastor and family.

In June, 1953, work began on a new church building. The basement was completed and the first service held in the Fall of 1954.

In January, 1956, Chester Doden was called as pastor and the church moved ahead in every way. A new auditorium was completed and later the baptistry was added and the building was faced with Indiana limestone. A new parsonage was also built on Indiana Avenue under the leadership of Pastor Doden.

The church voted to affiliate with the General Association of Regular Baptist Churches in September, 1956.

Bruce H. Snyder was called as pastor in January, 1962, and he served faithfully for three years.

Wayne E. Smith, began his ministry as pastor of Bible Baptist in April, 1965. Under his ministry, the church continued to prosper spiritually, materially and numerically. To provide for future building and expansion three houses were purchased: the North Annex on Jackson Street (1968), the West Annex on Van Buren Street (1970), and the Burley Ensley home on VanBuren Street in 1972. A vacant lot on the corner of VanBuren and 17th Street was purchased in 1971 for future parking, and the Ensley home was used as a second parsonage for our new Assistant Pastor Bob Siegrist, who came to minister in July, 1977.

Ground was broken for a new auditorium in July, 1973, and the first service was held on Easter Sunday, 1974.

Several new ministries of outreach were begun during the 60's: Sunday school bus-ing (1966), Jet Cadets and Jr. Astronauts (1966), choir ministry (1966), radio broadcasting (1967), and Awana Club (began with one in 1967, and now have five).

The decade of the Seventies was also significant in the life of Bible Baptist church. In 1975, work was begun to establish a Christian school. A school council was elected and Pastor Smith was appointed acting principal. Many meetings were held, many schools visited, several educational seminars attended, and in August 1976, Faith Christian Academy

became a reality with 37 students in grades K - 4, and Mr. Roger W. Gafken, principal.

In 1977 the Academy was expanded to grades K through 8, and in 1979, expanded to all grades, K through 12. The A-Beka curriculum was used for grades K through 5 and the Accelerated Christian Education curriculum for Grades 6 through 12. The first graduating class was held in May, 1980. Various programs have been added to the curriculum of the Academy as the school has grown. The Academy program now includes elementary and high school bands and choirs, drama, art, soccer, basketball, volleyball, softball, and track.

Radio broadcasting has always been a very important ministry to the people of the Bible Baptist Church. Not only did the church go on the air on the first day with WIFF radio station, April 10, 1967, but the church expanded to a 15 minute daily broadcast on July 22, 1974 and continued until August 13, 1982. In 1984, the 30 minute Sunday broadcast was changed to a sixty minute tape delayed program featuring our Sunday a.m. service.

With the increase of church ministries, came the increase of church, Sunday school, and Academy attendance. The people began to pray and look for suitable property to build a new church and school buildings. A 30 acre piece of property was purchased between Auburn and Waterloo. However, the Lord had something greater in mind for this ministry. The Lord remembered that the pastor and a few people had seen the potential of a piece of property with buildings just south of Auburn. It was in July, 1981, that the Lord made it possible for the purchase of St. Anthony's Novitiate by one of our members, Mr. Daryle L. Doden. It was a miracle of the Lord--something that was unobtainable was obtained!

As with all great opportunities comes greater responsibilities, as a pastor and people soon realized. Work began immediately to prepare the 48,000 square foot education building for Faith Christian Academy, and the school moved into its new facilities on September 8, 1981.

The people of the church then began to renovate the facilities for the other ministries of the Bible Baptist Church. Work continued under the direction of Mr. Daryle L. Doden until November 1, 1981 when Mr. Bill Steininger was hired to head construction.

After many thousands of donated hours of labor by many, many of our people, it was time to move from Jackson and 18th Streets to the new Family Life Center of the Bible Baptist Church. Again many people gave many hours of work and labor and on April 11, 1982, the Bible Baptist Church held its first service in the lovely new auditorium with a record attendance of 411 in Sunday school and 534 in church.

The people of the Bible Baptist Church had come to realize with the lovely

facilities of the Family Life Center along with its 125 acres of land and 20 acre Living Waters Lake that there was a continuous demand for work and maintenance. They also realized the need of a multipurpose building to provide for the many and varied activities of the church and school. In 1982, a ground breaking ceremony was held for the new multipurpose building. It was completed in the Fall of 1983.

The Lord blessed our people abundantly in sending another helper in the work. Pastor Daniel L. Lilley came to Bible Baptist Church in August, 1982 as minister of music in the church and as music co-ordinator in Faith Christian Academy.

In 1984 a transfer of the deed of 30 acres of property and the buildings was made from Mr. Daryle L. Doden to the Bible Baptist church.

At the request of Pastor Smith, the deacons appointed a Search Committee to find candidates for a senior pastor to shepherd the flock of Bible Baptist Church. The Lord so graciously provided another event of great significance which happened on August 1, 1984, when pastor James E. Jeffery came as Senior Pastor. In August, 1984, Mr. James Kane was called as principal to succeed Mr. Roger Gafken.

The ministry and outreach of the Bible Baptist Church is unlimited and the potential is tremendous to stand as a testimony for the Gospel of Jesus Christ in northeast Indiana and around the world.
